Dear Parents/Guardians of students with Disabilities,

The Transportation Department would like to inform all parents/guardians that bus route information for ESE students served with specialized transportation for the 2011-2012 school year is not yet available. Because the routing of buses for exceptional students is customized on such items as address, school assignment, bus capacity, physical and emotional needs of students; this information will be developing throughout the summer.

A team of routing professionals and with help from the ESE Department, will be formulating new runs for August, 2011. You should be hearing from your bus driver no later than August 19, 2011 with information on your child's pick-up and drop-off time. If you have not heard from a bus driver by August 19, 2011, please contact your local Transportation Department field office.

If your address changes during the summer, please immediately contact your school. If your child's address of record is incorrect for the beginning of school, your child may face delays in the start of their specialized transportation services.

Estimados Padres/Encargados de estudiantes con discapacidades,

El Departamento de Transportación desea informar a todos los padres/encargados que la información sobre el itinerario de transportación especializada para el año escolar 2011-2012 aún no está disponible. Debido a que la trayectoria de los autobuses para las estudiantes excepcionales es personalizada sobre aspectos tales como, la dirección del estudiante, la escuela asignada y la capacidad de los autobuses, las trayectorias se formularán durante el verano.

Un equipo de profesionales de itinerario, con la ayuda del departamento de ESE, elaborará nuevas trayectorias para agosto 2011. El conductor de autobús de su hijo debe estar en contacto con usted no más tarde de el 19 de agosto de 2011, con información sobre el horario para recoger y devolver a su hijo. Si un conductor de autobús no le ha contactado el 19 de agosto de 2011, por favor comuníquese con su oficina local del Departamento de Transportación por área.

Si su dirección cambia durante el verano, por favor contacte la oficina de su area. Si la dirección de su hijo esta incorrecta en nuestro registro para el comienzo de la escuela, su hijo podría enfrentar retrasos en el inicio de sus servicios de transporte especializados.
